Just a quick note to say that the Take and Bake orders for the Annual Bison Feed are going very well! God has blessed us with good fortune in this area! It's so great to know that even though we are getting new rules and regulations during this COVID pandemic, we were able to find a way to still bring this yummy annual event to those who love coming out each year! Thank you to all who are participating in any way to make this event possible!

Silver Bucket for November

Red Bird Mission and Clinic have been providing ministries in this region of the Appalachian Mountains since 1921. Today the need remains critical in this isolated, rural distressed area. Chronic poverty, lack of jobs, poor housing and rugged mountainous terrain provide obstacles to a fuller life for the residents of this area. Red Bird Mission strives to meet these needs through ministry in five areas:

Education, Health and Wellness, Community Outreach, Economic Opportunity and Community Housing Improvement.
