## Memories

I feel a warmth around me  
like your presence is so near,  
And I close my eyes to visualize  
your face when you were here,  
I endure the times we spent together  
and they are locked inside my heart,  
For as long as I have those memories  
we will never be apart,  
Even though we cannot speak no more  
my voice is always there,  
Because every night before I sleep  
I have you in my prayer.

O God of all people, of all times, we are here in your house seeking your presence, in our time of remembrance. We honor those who have finished the race and have received their reward. But at the same time we come here seeking you, O God, who was a constant companion, a source of strength for those we honor. We, too, need your guiding presence as we continue our race. God, we pray that your mighty presence will be felt by all who are gathered here this morning, as we are surrounded by a cloud of witnesses. Amen.
