Happy Holidays...

It is remarkable to reflect on our present times, mainly because one would never have thought it possible our world would be enduring in such a way as we are with COVID19. It has changed the way we do life as we know it and has for quite some time. As a pastor who craves human interaction (as I'm sure a great deal of people do), such a time as this has created a whole host of thoughts and dilemmas. As we now enter the Advent Season, those thoughts and dilemmas are magnified as the holiday season is one of togetherness, it is a time of love, a time of family and of faith.

We will be stepping aside our path of promises through the Old Testament to talk about the promises brought to us through Jesus during this special season. It is precisely the promises given to us that remind us we have everything we need to get through a time such as this. In fact, in the Second Book of Peter, he gives us the words to remember this specifically....

"³ His divine power has given us everything we need for a godly life through our knowledge of him who called us by his own glory and goodness. ⁴ Through these he has given us his very great and precious promises, so that through them you may participate in the divine nature, having escaped the corruption in the world caused by evil desires.

⁵ For this very reason, make every effort to add to your faith goodness; and to goodness, knowledge; ⁶ and to knowledge, self-control; and to self-control, perseverance; and to perseverance, godliness; ⁷ and to godliness, mutual affection; and to mutual affection, love. ⁸ For if you possess these qualities in increasing measure, they will keep you from being ineffective and unproductive in your knowledge of our Lord Jesus Christ. ⁹ But whoever does not have them is nearsighted and blind, forgetting that they have been cleansed from their past sins."

Are we not challenged in these times to possess many of these attributes, I mean, perseverance is a given...self-control is somewhat difficult....and if we allow, we can be moved to godliness, which allows us mutual Affection, which moves us to love.

Something which can be totally profound! "He has given us very great and precious promises...." This is how we survive, on the promises of God, given to us through Jesus. "He has given us very great and precious promises...." Which Peter then tells us they help us to participate in the divine nature....which can be interpreted to mean that we can walk hand in hand with our God...we can step aside from what the world offers, even the struggles...we can be filled with Joy, Hope, Peace....Love! The gifts of Advent!

So the meat as to what we're getting at is that for us to navigate this time well, leaning on the promises of Jesus, focusing on the gift of His life becomes necessary and central to living a life of faith, of developing deep relationships in Christ, which take us to LOVE. We are not only challenged to embrace such attributes, but the struggle of these times almost feed our ability to lean in on them, rely on them.

While we may not understand what is happening, while we may find ourselves full of emotions and questions, we can relate to the people in our biblical history and take their guidance.

As we navigate these times, let us also be thankful for the gifts of these times and their ability to move us to love. Standing on the promises...May God guide us every day!

Christmas blessings,

Pastor Jorie

PRAYER WARRIORS

Just a reminder...We are meeting regularly on the second Sunday of every month after church. We come together and lift up the cares and concerns of not only our Faith Family, but also our community, our nation and our world. You are welcome to join us at any time.

We are reminded in James 5 that “great things happen when believing people pray.” Because there have been many great things happening among this faith family, we feel it important to expand our prayers and expect God to do even more great things among us as we continue to care for each other.

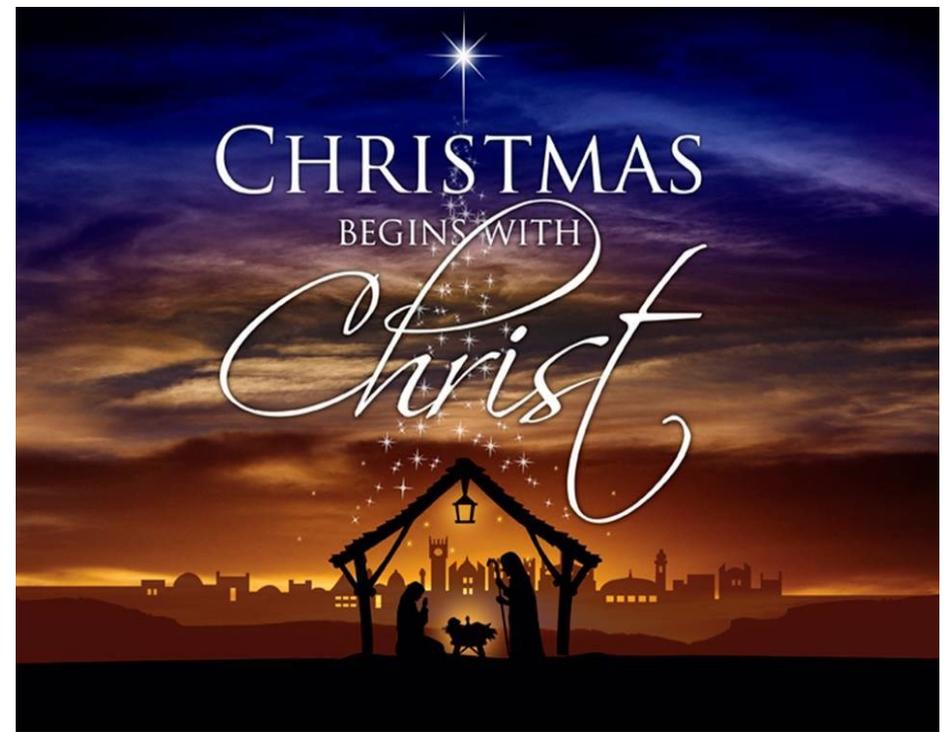

Our next meeting is scheduled for December 13th.

This year has offered many challenges for us in every area of our church and faith family. The Education Ministry has been diligent in doing what they could, and we are appreciative of all their hard work. Both areas of ministry are paused for the month

of December and that is for a couple of reasons. We have put together Advent Boxes which will give our families an opportunity to have fun together while learning about Advent. They will be delivered the week of November 29, 2020. In those boxes, there will also be instructions for the opportunity to be a part of our combined Children's Program and Christmas Eve Service. Families that are interested will be able to record a portion of the program to be put together with others for our Christmas Eve Service. We are excited about this and know it will be a wonderful program! If you want to participate but haven't received instructions, please contact Pastor Dorie.

Annual Christmas Meditation

December 23, 2020

3:30pm - 7pm

As we head into the Christmas season and reflect on this past year, we recognize this year may be especially difficult for many as we continue to socially distance. With this in mind, we will continue our tradition of hosting a Christmas Meditation on Wednesday, December 23rd from 3:30-7:00pm.

During this time, we welcome you to take a seat in the darkened sanctuary, listen to relaxing Christmas music, and center yourself into the Christmas season. This is a free event and open to all. Stay however long you need.

We ask that guests respectfully distance from others and wear a mask.

I want to make people aware of a new development in the life of the Food Shelf. We have been given the opportunity to look at a different building that would be

owned by the City and rented to us. At this point there is no time frame although we are hoping that it will happen in the next few months. We will also be doing a Fund-Raising campaign to help with getting the building ready. The Methodist Church has been so supportive over the years and we appreciate the space, volunteers, donations, prayers, and participation. Thank you so much.

Our Technology Team is hard at work to put together our **Christmas Eve Service**. As of this printing, we are not sure if we will be able to provide space in the sanctuary to view the service. If we are able, that information will be forthcoming. Initially, the Council voted to have several viewing opportunities on Christmas Eve, like 4:30pm and 7pm, with reservations requested so we can limit numbers. We will be making Christmas Eve Worship available on our website and Facebook page on Christmas Eve at 4:30pm for sure. It is our hope also to have it recorded on DVD's for our families. Stay Tuned....this COVID year continues to challenge! Thank you all for your patience and understanding!

Yes, we will provide our **Christmas Eve Community Meal** but with a few changes! We are asking for sign up prior to Christmas Eve, with a deadline of Monday December 21. We will provide Take Out and Delivery beginning at 5:30 pm. If current rules change, we will allow a small number in our Fellowship Hall. We will offer this meal as a free will offering with no expectation of gifts!
