Red Bird Mission and Clinic have been providing ministries in this region of the Appalachian Mountains since 1921. Today the need remains critical in this isolated, rural distressed area. Chronic poverty, lack of jobs, poor housing and rugged mountainous terrain provide obstacles to a fuller life for the residents of this area. Red Bird Mission strives to meet these needs through ministry in five areas:

Education, Health and Wellness, Community Outreach, Economic Opportunity and Community Housing Improvement.

Our first Wednesday night will be held on September 14, beginning at 6:15 pm and we are going to meet at the park and grill, have some fun and games and share a devotion together. We invite parents, family members, and other members of the church to join us! The Confirmation Class is also expected to this event.

We are going to have a special Sunday on **September 11, 2022** during the worship service! There will be more information coming soon about activities that day, etc. We will give out Bibles to our new Confirmants and the Second graders.

We are having a busy Sunday, September 11th!! Along with Grandparents and Rally Day, the Endowment Fund grant application rewards will be presented to those who applied for and were approved. Busy, busy Sunday!! Don't miss it!
